Hammond Power Solutions Expands Partnership with Electris360/ElectroRep in Arizona and Southern Nevada

Guelph, Ontario – [Nov 9, 2026] — Hammond Power Solutions (HPS), a leading North American manufacturer of dry-type transformers and power quality solutions, announced today that Electris360/ElectroRep will represent HPS in Arizona and Southern Nevada, effective November 9, 2026.

Electris360/ElectroRep is a long-standing HPS sales representative, currently representing HPS in California and Northern Nevada. Adding Arizona and Southern Nevada to its territory creates greater alignment across these western markets and supports closer collaboration with HPS distributor partners and customers throughout the region.

“Electris360/ElectroRep has been a valued HPS partner for many years and has a strong understanding of our business and the customers we serve”, said Neal Gourd, HPS Regional Sales Manager – Western U.S. “We’re pleased to build on that relationship in Arizona and Southern Nevada and look forward to the continued support they will provide to our customers.”

The expanded partnership strengthens HPS coverage across the western U.S. and supports continued growth with customers and distributor partners throughout the region.
