Hammond Power Solutions appoints Linda Nadeau Sanford as Western Regional Sales Manager

GUELPH, ON (May 9, 2025) -- Hammond Power Solutions (HPS), a leader in dry-type transformers and power quality solutions, is pleased to announce the appointment of Linda Nadeau Sanford as the new Western Regional Sales Manager.

Linda will play a key part in driving sales and revenue across the Western Canada region. She will oversee territory management, advance strategic initiatives, and collaborate with the sales network to support growth.

“Since joining HPS in 2019 as the Ontario Regional Sales Manager for GTA East, Linda has made a significant impact on our sales, developing many successful long-term customer relationships”, stated Domenic Giovinazzo, Canadian National Sales Manager. “Her strategic account management and deep customer focus make her an excellent fit for this new opportunity.”

ABOUT HAMMOND POWER SOLUTIONS INC.

Hammond Power Solutions Inc. (“HPS” or the “Company”) enables electrification through its broad range of dry-type transformers, power quality products and related magnetics. HPS’ standard and custom-designed products are essential and ubiquitous in electrical distribution networks through an extensive range of end-user applications. The Company has manufacturing plants in Canada, the United States (U.S.), Mexico and India and sells its products around the globe. HPS shares are listed on the Toronto Stock Exchange and trade under the symbol HPS.A.
